### Team Form & Context

Walthamstow

Walthamstow are currently ranked 12th in the division, while Redbridge occupy 6th place as per match preview sources.

Sofascore

In their most recent head-to-head, Walthamstow beat Redbridge 2-0 at home in the 2024-25 season (goals scored in the second half)

Football Web Pages

That tie suggests Walthamstow have confidence when playing Redbridge at home.

They'll be aiming to use home advantage and replicate that success – particularly important given Redbridge's better league standing.

### Redbridge

Redbridge are expected to come into this match with better form and possibly stronger consistency, given their higher table position.

Away matches will be key for them: they must be disciplined, defensively solid, and take chances on the break.

Their goal will be to disrupt Walthamstow's rhythm and steal points on the road.
